What Is A Service Provider?
An Easy Read Guide

A service provider helps you with the things you need to live your life.

A service provider helps you with the things listed in your service plan.

Your service plan lists all of the things you want to help you live your life.

A service provider can help with things like

• getting dressed,

• going places,

• cooking food,

• or getting to work.

Sometimes service providers are called staff or aides.
Some service providers work for an agency.

Some service providers work on their own.

You have the right to choose the kind of service provider you work with.

For an example of someone working with a service provider that works for an agency, take a look at Mike’s Story.

For an example of someone working with a service provider that works on their own, take a look at Sam’s Story.
